Learner Benefits

The NUS extra card or NUS Apprentice extra card

Learners who are studying within an Educational establishment such as a school, college or work based apprenticeship facility are able to purchase an NUS extra Card or an NAS apprentice extra card.

NUS Apprentice extra provides discounts in-store and online at your favourite brands to help your hard earned cash go a little further. They are run by the National Union of Students, (NUS) and so the money they raise selling the discount card helps to fund a new National Society for Apprentices, which will serve to represent your needs and those of all vocational learners.

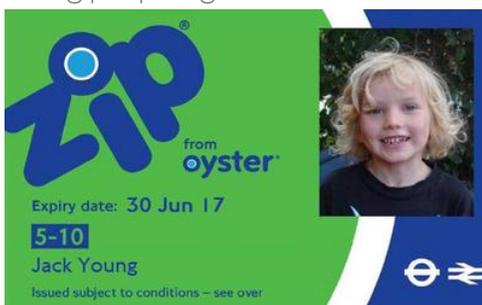

For £11 for 12 months, you get discounts with the likes of The Co-op, Amazon.co.uk, Superdrug, Alton Towers, Odeon Cinemas and many more.

For a full list of discounts please visit - <http://www.apprenticeextra.co.uk/>

Purchasing an NUS Extra card is easy and you can do this on the above link. All you need is your debit/credit card and a photo of yourself. Choose your apprentice provider from the list (i.e Jaguar Land Rover), enter a few details and your card will be with you within 7 working days, ready for you to start saving.
